The Adult Pool and South Pool Water Change Prior to Heating

The two pools were drained, stains removed and filled prior to heating them.

By changing the water every few years, it helps to cut down on the hardness that clogs and damages the pool filtration system.

Street sweeping is the second and fourth Thursdays of each month, and like clockwork, the signs are put out on the Wednesdays prior to remind us not to park in the street the following day. I'm sure he has saved many from getting that dreaded parking ticket!

Why Are We Seeing Multiple Offers on Houses Again?

In Orange County, in the first three months of 2023, 45% less homes went on the market due to 4,538 missing sellers!

Why? Interest Rates. More homeowners are staying put because of their low mortgage. This explains the return of multiple offers on houses and sale prices above asking prices vs. the predicted decline in home prices in 2023.

There is a lack of supply, not record-breaking demand.
