Register at event.

(For your safety and the safety of others, everyone in attendance over the age of 2 years must wear a mask. We ask that you not attend if you aren't feeling well or have a fever.)

We are going to offer the event a little different this year to help with social distancing. Rather than have large groups go into the hunt at one time, we are going to break it down into smaller groups by age.

When you arrive, purchase your bag, decorate it and listen for your bag color and number to be called for the hunt!

BRING YOUR CAMERA!
We are going to have the Easter Bunny set up for you to take group and individual pictures. Please line up, socially distant from one another and the bunny will be set up for you to take your photos!

In case of inclement weather, the event will be cancelled. Check the website www.gvhra.com the morning of the event..

Board Approves Capital Reserve Items

At the March Board Meeting, the Board approved to replace the three heaters at the North Pool, replace the mastic (caulking) around the North Pool, replace the Adult Pool heater, and replace the Adult Pool pump. All items are fully funded in the Capital Reserve Account and due to have been replaced or to be replaced this calendar year.

The North Pool was closed for two days while the repairs were being completed. The Adult Pool will be completed prior to heating in May.

Pool Information

The pools are open daily from 6:00 a.m. to 10:00 p.m. Due to the pandemic/stay at home orders, the following exceptions apply:

- Pool maximum capacity is 25%.
- Showers are not in use.
- Bring your own sanitizing products. Cleaned nightly.
- Please observe social distancing.

The North Pool (10824 Los Jardines East) is available for lap swim. Aqua Tone classes are offered Tuesday, Thursday and Saturday mornings. The Winter Stroke Clinic is held daily (except Sundays) from 3:00 to 7:00 p.m. through March 27th. The Swim Team will begin their daily workouts for 16 weeks on April 12th with the same schedule. The pool is closed during these times.

The South Pool (10739 Los Jardines West) is heated as of March 15th. Please bring your own chair and sanitizing products. Stay socially distant on the pool deck and in the pool as much as possible. We are planning swim lessons this summer from June 7th to August 13th.

The Adult Pool heater will be turned on in May.

Work for Green Valley this Summer!!
