FREE BOOK LIBRARIES

There are hundreds of books to choose from! Pick one up, read it, and pass it along!

For adult books, stop by the office any time during office hours and see if there is something of interest to you! The shelves in the Community Room are full of books.

There is a Little Free Library in front of the office with children's books.

We are also accepting adult and children books for the libraries.

Children's Books Needed

Located in front of the Association office is a Free Book Library. This library holds children's books only. It is designed to bring a book and take a book. There are times when the library is running low. Next time you clean out your children's library and need to get rid of some books, please feel free to bring them to the Association office or place them in the library itself. This will help us in keep the box full of a wide variety of books for children of all ages.

Board Approves Capital Reserve Items

At the February Board Meeting, the Board approved to replace the chairs and umbrellas at the North and South Pools. The Adult Pool loungers are also being re-strapped. All items are fully funded in the Capital Reserve Account.

The South Pool will get some new umbrellas. The tables will be set with the existing resin chairs

After the park dries out some, a few of the trash can receptacles will also be replaced.

Lounge Chairs Re-Strapped at Adult Pool

The six lounge chairs located at the Adult Pool have been re-strapped. The old straps were rusted and lost their sheen. The re-strapping makes the chairs look brand new!

There will be new iron chairs around the tables, along with new plastic lounge chairs for summer fun! The pool will be heated in May.

Happy Easter!

Happy Spring!

Greenbelt Does It's Job

With all of the rain this year, the greenbelt has done exactly what it has been designed to do. Many of the street gutters on the north side of Slater are designed to drain into the park. The park usually drains rather quickly. But with all of the drenching rains, the park is so saturated and just can't take anymore water. (The ducks love the "lake Green Valley" as you can see many of them swimming around in the standing water.)

Rainbow Environmental Services Picks Up Large Items from Your Home Free of Charge

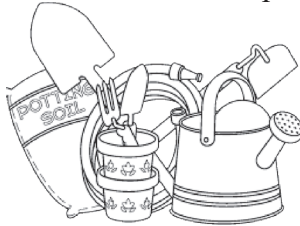

A portion of your bi-monthly water bill is your trash payment. And your trash payment includes the "10/4" trash service. Rainbow will come to your house four times per year to pick up as many as ten items that do not fit in your trash receptacles. These items include furniture, appliances, mattresses, green waste, and bagged garbage in excess of the receptacle capacity. A separate truck is dispatched for bulky items so advanced scheduling is required. Just give them a call at 714-847-3581.

Please do not use the Association dumpsters. They are designated for clubhouse and association usage only. Thanks!!
