A portion of your bi-monthly water bill is your trash payment. And your trash payment includes the "10/4" trash service. Rainbow will come to your house four times per year to pick up as many as ten items that do not fit in your trash receptacles. These items include furniture, appliances, mattresses, green waste, and bagged garbage in excess of the receptacle capacity. A separate truck is dispatched for bulky items so advanced scheduling is required. Just give them a call at 714-847-3581.

Why Are We Seeing Multiple Offers on Houses Again?

In Orange County, in the first three months of 2023, 45% less homes went on the market due to 4,538 missing sellers!

Why? Interest Rates. More homeowners are staying put because of their low mortgage. This explains the return of multiple offers on houses and sale prices above asking prices vs. the predicted decline in home prices in 2023.

There is a lack of supply, not record-breaking demand.

Mosquitoes May Be Extra Bad This Year

We are still a couple months away from mosquito season, but this season could potentially be one of the worst because of all the rain this the year. The Aedes mosquitoes, more commonly known as “ankle biters,” are aggressive. They can breed in backyards and bite during the day.

Be on the lookout for places where they could possibly lay their eggs.

Look in your yard for any standing water such as plant saucers, tires, old toys that are out, even the tray under your barbecue. Anywhere that water can collect, mosquitoes will breed.

Start taking Vitamin B now to help deter mosquito bites!

Stolen Trash Containers?

Some of the new green waste trash cans were reported stolen or removed from some of the condos on the south side of Slater. When the homeowners contacted Rainbow/Republic Services regarding the issue, they were told that they had not picked up the missing containers.

It costs each homeowners \$75 for a new container. If your existing container is damaged, Rainbow/Republic Services will replace it free of charge. But for a new container, it is \$75.

I asked Rainbow/Republic Services about writing or spray painting the address on the containers and I was told that we are not allowed to do so. The only option is to place a sticker on the container, that sets it off as different from your neighbors.

For additional information or if you need a new or replacement container, contact Rainbow/Republic services at 714-847-3581 or www.republicservices.com.

The two-day certification class will be held at the North Pool from 8:00 a.m. to 6:00 p.m. (You must attend both days. You may get out earlier or later on some days depending on the number of students enrolled.) Register for one of the following:
