Scammer Alert

There are a growing number of scams and scammers currently praying upon the public.

Here are somethings you can do to protect yourself:

- 1) *Pay your bills on-line. But please don't use a public computer or public Wi-Fi connection to do it.*
- 2) *Take your mail INSIDE the post office and drop it off, don't use the mail boxes outside. This is especially important if it contains a check or gift card.*
- 3) *Use a pen with blue or black non-erasable gel ink. Gel ink soaks into the paper and may be more difficult to remove.*
- 4) *Don't let delivered mail sit in your mailbox.*
- 5) *If you still receive checks in the mail, please think about making them auto deposited to your bank.*
- 6) *Monitor your bank account at least every few days.*
- 7) *Report incidents quickly to your bank. Banks are generally required to replace stolen funds if reported within 30 days.*

*Please be careful.
Don't become their next victim.*

Why Are We Seeing Multiple Offers on Houses Again?

In Orange County, in the first three months of 2023, 45% less homes went on the market due to 4,538 missing sellers!

Why? Interest Rates. More homeowners are staying put because of their low mortgage. This explains the return of multiple offers on houses and sale prices above asking prices vs. the predicted decline in home prices in 2023.

There is a lack of supply, not record-breaking demand.
