**Fountain Valley inventory is rising**, which is good news! Historically FV has a lower number of homes for sale than neighboring cities. **Why? Fountain Valley is a GREAT place to live! Why are homeowners staying put?** Their low mortgages. 84% of California homeowners have a fixed mortgage rate of 5% or lower. High mortgage rates prevent many would-be sellers from selling their home and keep buyers out of the market.

The Annual Election of our Board of Directors is scheduled for Tuesday, February 3, 2026. It is very important that you send in your ballot early so that a quorum can be reached and we can elect the new board members!

The board members serve a two-year term. There are four board members whose term will expire in February. These board members include Peter Jacobs, Tony Obregon, Wallace Rodecker &, Stephen Schwarz. There are two homeowners who have completed the nomination process to run for the board and are included on the ballot.

Remaining on the board for their second year of their term are Todd Kubota, Scott Rogers & Linda Tonkovich.
